

Greater Cincinnati and  
Northern Kentucky Chapter of  
American Payroll Association

National Payroll Week celebrates America's workers and the payroll professionals who pay them. Together-through payroll withholding - they collect, contribute and report **\$2.08 Trillion**. This is 68% of the U.S. Treasury's annual revenue! Impressively that only accounts for the Federal dollars processed by your payroll professionals. Just imagine the total value when including the state and local taxes.

In today's world, payroll professionals must know all about the Fair Labor Standards Act, Family Medical Leave Act, IRS Regulations, and other accounting regulations. Without support from people like you the Cincinnati Northern-Kentucky Chapter of the APA could not survive and thrive to provide the education to seasoned and up-and-coming payroll professionals.

With your sponsorship of the National Payroll Week Celebration, the Chapter can continue to have monthly training meetings covering great topics as, compliance changes, time clock rounding issues, and BWC updates directly from a BWC representative. In addition, the "Annual Wage and Hour" 2- day training directly from The Department of Labor's active field auditors. All of this is provided at a low- or no-cost basis to our members because of your support for National Payroll Week.

The Chapter kicks off the celebration of National Payroll Week with a dinner at The Madison in Covington, Kentucky on August 31, 2017.

Please find attached the levels of sponsorship and added benefits of your contribution. Complete the back of the form and return it to me before August 15th to receive the benefits listed.

Thank you in advance for your support of the Chapter and as always please feel free to contact me at [rblair@mspdesign.com](mailto:rblair@mspdesign.com) with any of questions.

Sincerely,

Reuben Blair  
President of the Greater Cincinnati Northern Kentucky Chapter of the APA
